

How to Access TrustKeeper Using Google Chrome

To access the Trustwave TrustKeeper[®] portal using new releases of Google Chrome¹ as your web browser, you will need to go to login.trustwave.com and follow the steps below:

¹ Google Chrome 55 is planned for an early December release. The steps shown are with the beta version, known as “Canary.”

a) Click the puzzle-piece icon in the upper-right-hand side of your screen:

b) Select **Always allow plugins on <https://login.trustwave.com>** and click **Done**. This will enable Flash to run on login.trustwave.com for all subsequent visits.

You will then be directed to log in into your TrustKeeper account.
